CUMBERLAND FORCE CODE OF CONDUCT

TOGETHER, LET'S MAKE SURE THE TEAM HAS FUN PLAYING COMPETIVE BASEBALL & SOFTBALL

- We ask for minimal talking or interruptions from outside the fence or dugout by Parents, Family or Friends at Practices and Games. We need to keep the kids focused on the task at hand.
- There will be NO FOOD allowed in the dugout. Please distribute any food and drinks before and after game times. We need to keep the kids' attention on the current game situation.
- No use of cell phones will be allowed in the dugout.
- Support your player and the entire team with positive grandstand enthusiasm, leaving the coaching to the coaches.
- Exhibit good sportsmanship in victory or defeat for all teams, umpires and fans. We want to keep a good relationship with the fans, umpires and opposing teams for many years to come.
- Never use foul language embarrassing you, the fans and most importantly the kids.
- In the event you might disagree with a particular coaching decision, you will respect the coaches by recognizing their **volunteerism**. Never discuss disagreements with a coach during or immediately following a game or practice.
- Support your player and his team with team functions.
- As early as possible, please notify the coaches before vacations that will result in absence or being late to a practice, game or team function. We want to be able to make the necessary arrangements.
- If Parent and Family Conduct has repeated and/or severe violations, the disciplinary action will be enforced by the Force Board and/or team coaches until resolved, in accordance with the Force by-laws and could result in a loss of playing time and/or removal from the team, without fee reimbursement.
- Every player's parent and guardian will be responsible for working their concession shift(s) designated by the concession committee. Failure to comply will result in player time reduction among other disciplinary action. Further info to come!
- Each player will need to sell 5 t-shirts. These t-shirts allow us to keep player costs low!
